Re: US Patent Application No. 09/554,960
For: Vaccines for Blocking Transmission of Plasmodium Vivax
Inventors: David C. Kaslow, et al.
Intl. Filing Date: December 4, 1998
Client Reference No.: E-019-98/1
Our File No.: 015280-342100US

Dear Ms. Wallace,

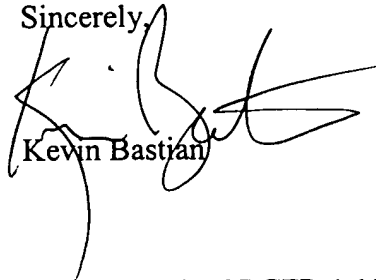

The enclosed documents are being filed in response to your instruction of December 3, 2003 with my assistant, Ms. Whitehurst. Enclosed for filing in the USPTO are the Declaration under 37 CFR §1.63 with Supplemental Application Data Sheet and Sequence Listing for the above-referenced application. As previously discussed, this application was held abandoned for failure to respond to the Notice of Missing Parts. The holding of abandonment was withdrawn in response to Applicants' Petition under 37 C.F.R. §1.181. A copy of the Decision on the Petition mailed September 5, 2003 is enclosed. A copy of the Declaration was previously submitted with the Petition under 37 CFR §1.181. A surcharge for filing the Declaration should not be necessary. If, however, such a fee is required, please deduct the fee from the firm Deposit Account.

It is our understanding that the USPTO is in the process of issuing a new Notification of Missing Requirements to replace *Notification of Defective Response* mailed September 16, 2003 (copy enclosed). In the interest of expediting this application, we are submitting the Declaration at this time.

In reviewing the Notification of Defective Response, we noted that the International filing date is incorrectly listed as April 12, 1998, the correct date is December 4, 1998. In addition, the Notification incorrectly states that there are 31 total claims in the above-referenced application. In fact, there are 32 claims. The correct fee calculation is set forth in the enclosed Transmittal Letter.

We believe that the enclosed documents should be sufficient to complete the filing of the above-referenced application. If there are any additional fees necessary to complete the filing, please charge them to the firm's Deposit Account No. 20-1430. If you have any questions about the enclosed documents, please feel free to contact me or my assistant, Stephanie Whitehurst.

Sincerely,

Kevin Bastian
